The Difference You Made

Thank you for your support of Wayside Waifs during 2022! It was a life-saving year for thousands of homeless animals who were desperate for a second chance, but also a year of change and growth.

Thousands of animals' lives were saved thanks to you! Your support, with the rest of the Wayside Village including staff and volunteers, provided the medical and behavioral care the animals desperately needed.

In mid-May, **I transitioned into the role of President.** Having served as Vice President of Finance and Administration for the past 7 years, moving into the position felt like a natural next step. My favorite things about the role are that I'm forging new relationships in our community and beyond, and continuing to learn new things every day in a quest to make Wayside the best organization possible. I firmly believe continued growth for all Wayside employees and volunteers equates to more opportunities for the pets in our care and in the community.

Nearing our 80th anniversary in 2024, it felt important that a clear path was set for the **strategic direction of Wayside.** As such, the Board of Directors and Executive Team met with many groups and individuals to gather feedback about where Wayside is currently and where we should focus our efforts in the coming years. Working with a strategy consultant who has extensive experience in the animal welfare field, we have been busy formulating the roadmap for the future. Stay tuned for exciting updates soon.

In 2022, Wayside had a record-breaking year for both of our biggest annual fundraisers – our annual **Fur Ball Gala** in May and **Strutt With Your Mutt** run/walk in September! A very large portion of Wayside's annual budget comes from the donations raised through these two events and we can't be more thrilled about their success.

The many milestones of 2022 could not have happened if it weren't for your support, and I am forever grateful.

Sincerely,

Kathryn Mahoney
President, Wayside Waifs

P.S. If you are interested in hearing more about the great things we are working on, call 816-986-4411 to schedule a private tour of Wayside today!

Your Support Saved Oakley and Ollie

Oakley & The Zicari Family

Oakley, a 3 ½ year old Shepherd mix, came to Wayside after being transferred from a rural shelter in Tennessee where she had recently given birth. They were no longer able to give her the care she needed. Sadly, she was heartworm positive, which can be deadly if left untreated. Because of your support, Wayside was able to give her medical care that saved her life. She has since been adopted and is loved to pieces by her family. "We LOVE Oakley!! We are doing all that we can to make her feel loved and special. We were told to treat her like a princess as she recovers from heart worms, so we are allowing her to stay in her safe place, the bed."

Oakley, adopted in July

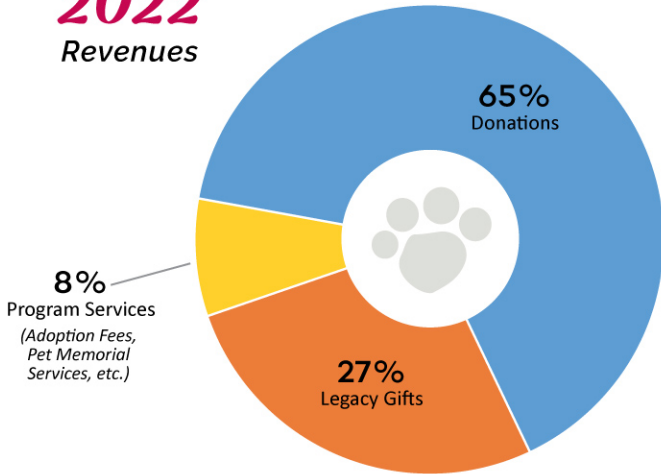

Ollie & The Lord family

Ollie, a 7 month old cat, was brought to Wayside from a rural shelter in Missouri. He needed immediate attention both medically and behaviorally. We were alerted by the rural shelter he had been exposed to diseases. We immediately gave him a full exam, updated his vaccinations, and made sure he was healthy. In addition, due to his young age, we knew it was critical he receive socialization to help him transition into an adoptive home. At Wayside he interacted with many people – both staff and volunteers – which allowed him to gain trust with the world around him. Wayside made sure he was healthy and happy before finding his forever home. "Ollie is a wonderful cat and a best friend to my daughter. She's smitten!"

Betty White demonstrated a lifelong commitment to helping homeless animals. Her compassion for animals and saving them continues to make an impact on us today. In 2022, we named a special area in our Adoption Center in memory of Betty.

MISSION STATEMENT:

Preparing pets and people for the bond of their lives.

We accomplish our mission by protecting and caring for the animals under our watch; by reaching out to the community for love and support; and by teaching others about the profound joy that pets bring to our lives.
